👤 PROFILE

Creative and detail-oriented UI/UX Designer with a strong passion for crafting user-friendly, visually appealing, and responsive digital experiences. Skilled in wireframing, prototyping, and interface design using modern tools such as Figma . Adept at applying user-centered design principles, conducting usability testing, and translating ideas into engaging interfaces. Eager to contribute fresh perspectives, creativity, and problem-solving skills to innovative design projects.

🎓 EDUCATION

- **Advanced diploma in UI/UX Design,** Skilz The Learning Hub - digital training institute , Kottakkal, Malappuram, Kerala.

- **DEGREE (BACHELOR OF COMPUTER APPLICATION (BCA))**, Khidmath Arts and Science College, Pattranadakavu — University of Calicut

📚 PROJECTS

RACE   08/2025 – 12/2025
Logistics (*demo*)   Kottakkal,India

This is a demo project I designed for a logistics brand called 'Race'. I focused on creating a clean and efficient user interface that simplifies tracking and shipment management.

Energy Care
Digital Palliative Care Platform

Designed a supportive platform **:** Created an easy-to-use app to help patients with serious illnesses manage both their physical and mental health.
